Exceptional alongside grilled dishes, rich meaty ragout, succulent beef, and aged, robust cheeses.

Cradled in the embrace of the Mediterranean, where olive groves and vineyards weave a lush tapestry, the elegant Masseria Cervi Appassimento takes root and comes to life.

Every bottle tells a story of devotion—of hard work tending the vines, guided by the elegance and intuition of a seasoned winemaker. It pairs deliciously with hearty fare, inviting warmth and richness to every meal.

To savor its full depth, enjoy at cellar temperature.
